Meeting commenced at 7:40pm.

### **Welcome/Apologies:**

David Althorp sent an apology and has submitted his resignation due to an upcoming lengthy absence.

### **Previous minutes:**

The minutes from the previous committee meeting were accepted as a true and factual record by those committee members that were present.

Actions arising:

- The Protect Our Heritage was a subgroup of Community Alliance. No other information on its structure/members was forthcoming.
- Ian and Chis have prepared a submission for the planning review. Chris attended a Zoom meeting and also had follow up with Emily from the Council. The main submission is due on December 12.
- Committee profiles – Alison still to contribute if she's willing.

### **Committee membership:**

David Althorp has resigned. We will not actively seek a replacement at this point. Alison has potential contacts if/when we decide to start looking.

### **Treasurer report:**

- Balance as at 30/9/22 was \$1240.48. See attached report.
- Have received reimbursement from Kensington RA for MTC hall hire.

### **Membership:**

- 2022/23 Financial members: 57

### **Activities:**

- Nothing to report.

### **Lights Up!:**

- Kay has received the flyers and will letterbox around Norwood. Others willing to assist should she need help.
- Posters have been printed by Steven Marshall's office.
- Rowena has sent information to schools.
- The Eastern Herald was approached but wanted us to pay for an ad. Request to be made for an article instead.

### **Meetings:**

- Meet the Candidates: A successful evening despite the disappointing attendance. One thing to follow up is to revive the regular meetings with the Mayor (post election).
- Christmas social evening/Lights Up presentations to be held again at Richards Park on December 20. We need to inform Council of this plan. A presenter is required - Ian to approach Christel Mex. Event to be publicised in the newsletter although it needs to be stressed it is only for members + Lights Up participants.

### **Advocacy:**

- Portrush/Magill Rd intersection – the government is still deciding about repurposing the vacant land (one or more of commercial/residential/greening).

### **Media:**

- Facebook – best if one person co-ordinates the posts. Tom is best positioned for this role.
- The noticeboard is being repaired (new locks)

### **Newsletter:**

- Kay to contact Colin Murray re his article and edit/submit his content.
- The noticeboard may not be able to be accessed soon due to the Mall redevelopment.

### **Other Business:**

None...
