

# **NORWOOD RESIDENTS ASSOCIATION COMMITTEE MEETING MINUTES**

## **Held at William St, Norwood on Wednesday, November 7th, 2022**

Present: Ian Radbone, Tom Smith, Chris Francis, Alison Wood, Kay Wiggins, Brenda Harris  
Meeting commenced at 7:35pm.

### **Previous minutes:**

The minutes from the previous committee meeting were accepted as a true and factual record by those committee members that were present.

### **Actions arising:**

- Kay to follow up re Colin Murray's piece for the newsletter.
- Ian has asked Christel Mex about presenting the prizes for Lights Up. However, Rowena is going to ask Steven Marshall so will wait on his response.
- Several new members have signed up following the leaflet letterboxing.

### **Treasurer report:**

- Balance as at 31/10/22 was \$1300.96. See attached report.

### **Membership:**

- 2022/23 Financial members: 62

### **Activities:**

- Ian and Chris met with the Norwood Rotary president re possible community collaboration. A suggestion is for a group to do planting/maintenance in Richards Park. Ian has made an initial approach to council about this and the response has been favourable. There is to be a new council volunteer co-ordinator appointed soon so a meeting will be organised when this happens.

### **Lights Up!**

- Kay has letterboxed all 1500 leaflets. Schools and churches have also been notified with a view to them publicising the event.
- Two judges have been co-opted. Brenda is willing to be the third one.
- Presentation night to be 20/12/22 at Richards Park. If unsuitable weather is forecast, then St Barts Church may be a backup option. We will follow the same format as last year – a BBQ where the committee do the catering. Chris and Alison to co-ordinate the food.

### **Meetings:**

- Discussed the next general meeting – to be held in February. A speaker is required. Suggestion is for a theme of 'Norwood Parks' where we could enlighten residents on the various parks in Norwood, their histories and botanical interest. Chris and Ian to investigate possible speakers on these topics.

**Advocacy:**

- The planning code submission will be due soon. Ian and Chris will be writing this but all input is welcome. Emphasis will be on examples in Norwood where heritage buildings have been lost. Chris has approached Denise Schumann and Sandy Wilkinson for such local evidence.

**Media:**

- Lights Up has been publicised by email, on Facebook and on our website.
- The community noticeboard is not accessible now due to the mall redevelopment.

**Newsletter:**

- Next issue due around the 20<sup>th</sup> November.

**Other Business:**
